Since my graduation I've traveled to Prague, Milan, Paris, and
Buffalo, New York
And I now drive a fifty thousand dollar LaForce Automobile

With total suede package, with subwolfers, and specially design
ed custom glass rims
Also, in my closet, shoes. So many shoes you cannot believe
And next to it a drawer with the socks, full of the socks, more
than enough for each pair of shoes. Yes that's a many.

And the Women. Let me tell you, the women, my God
I can't go into the details, let's just say, I know all about t
he secret garden.

So let me just say "thank you" from nearby the bottom of my hea

To Nate and Chest for showing me that beauty is truly in the Ey
