

## Samurai

Handsome Devil

I did some time in Tokyo in a dojo  
Learned karate and kung fu  
And judo because you know  
I'm a fuckin' samurai from the darkside  
Eating fried rice, and I lie  
I'm not Bruce Lee, I'm not Chinese  
I'm on the trapeze, and I'm free  
In Nagasaki, I'm drinking saki  
And watching hockey in my jockeys  
And I'm a servant to technology  
I'm a fuckin' samurai, from the darkside  
Eating fried rice, and I lie  
I'm not Bruce Lee, I'm not Chinese  
I'm on the trapeze, and I'm free  
In my Nissan, I put the priest on  
And I head out on the highway to Budokan  
I'm metal basted and domo wasted  
I'm a fuckin' samurai from the darkside  
Eating fried rice, and I lie  
I'm not Bruce Lee, I'm not Chinese  
I'm on the trapeze, and I'm free
