Tie Me Up

Handsome Devil

You've got it right, I'm out of line
Sometimes I feel like I'm losing my mind
Your one way street, it's calling me
I'll be your hero yeah I'll be your
Everything you wait and see
Tie me up, tie me down
I just want to be the one
I just want to be the one you love
And in your bed, I'll be your pet
You think I'm crazy well you ain't seen nothing yet
You've got the will, I got the whip
Take me over, and I'll take you on a trip
Wait and see, baby wait and see
Tie me up, tie me down
I just want to be the one
I just want to be the one you love
Whoa oh oh, whoa oh oh oh
Whoa oh oh, whoa oh oh oh
As I recline may I remind you one more time
I want to be there when you want to cross that line
Pleasure and pain, hit me again
You want the fire, girl, and I'm your gasoline
Wait and see, baby wait and see
Tie me up, tie me down
I just want to be the one
I just want to be the one you love
Whoa oh oh, whoa oh oh oh
Whoa oh oh, whoa oh oh oh
