

# See You When I See You

Handsome Ghost

So they say  
Where's the sense in endings  
What a waste  
They only bring you down  
I confess  
I never heard that mentioned  
All my best  
Never hung around  
We were drinking in the park, the cops, the dark  
We pay no mind  
Tattoos on your arm, it's all, the part, you left behind

So I'll see you when I see you  
God I want to see you again  
To be fair, I know you've got your man now  
It's been a year, that's a good amount of time  
And I'm sure, I'm sure he makes you happy  
If you've learned, then why are you here tonight  
We were drinking in the park, the cops, the dark  
We pay no mind  
Tattoos on your arm, it's all, the part, you left behind  
So I'll see you when I see you  
God I want to see you again
