

## 2 AM THOUGHTS

### Hangman's Chair

I am halfway home off the road  
System's reached overload  
Ain't that the right way to go?  
Upping the dose

Got some self loathing to do  
And no self pity to keep  
Those 2am thoughts  
I'm full of hollow

Hollow

I am halfway home off the road  
System's reached overload  
Is this the right way to go?  
Upping the dose

Got some self loathing to do  
And no self pity to keep  
Those 2am thoughts  
I'm full of hollow

Ain't that a lovely way to go?  
Upping the dose  
Ain't that a lovely way to go?  
Full of hollow

Ain't that a lovely way to go?  
Upping the dose  
Ain't that a lovely way to go?  
Full of hollow

Ain't that a lovely way to go?  
Ain't that a lovely way to go?  
Ain't that a lovely way to go?  
Ain't that lovely?
