

# Be My Lover

Hania Stach

No Matter How I Tried To Keep You Away From Me  
You Walked Into My Life And Messed Up All I Knew  
But I See You're Playing Games Treating Me Like A Toy  
I Guess I Have The Right To Ask You This Dear Boy

Be My Lover  
Be My Lover, hey...  
Be My Lover  
Hey...  
Be My Lover  
Be My Lover, hey...  
Be My Lover  
Or Stop That Game

No Matter What's Your Game You Better Change Your Rules  
'Cause This Is Killing Me I'm Not Gonna Be A Fool Be A Man Don't Lie  
To Me; Are You In Or Are You Out?  
Come On Right Now Right Here And Answer Me: Are You Man Enough

Be My Lover  
Be My Lover, hey...  
Be My Lover  
Hey...  
Be My Lover  
Be My Lover, hey...  
Be My Lover  
Hey...  
Be My Lover  
Be My Lover, hey...  
Be My Lover  
Or Stop That Game

So You're Afraid Of Who I Am  
I See It Gave You Quite A Turn  
Babe You Ain't Seen Nothing Yet  
No Matter What You've Planned Just Tell Me What You Mean  
Cause I Will Finally End All This Stupid Thing  
I Can Be Your Player Lady But In Different Kind Of Game  
With No Winners And No Losers Hey

Be My Lover  
Be My Lover, hey...  
Be My Lover  
Hey...  
Be My Lover  
Be My Lover, hey...  
Be My Lover  
Or Stop That Game
