

# The Hoochie-Coochie-Coo

Hank Ballard & The Midnighters

Hey, mama, you better talk to Sue  
She's doing the hoochi coochi coo  
They're swirling in the kitchen  
I know she'll get a licking  
For doing the hoochi coochi coo

Hey, mama, you better come real quick  
Tell papa to bring a hickory stick  
She's shaking like she's breaking  
And I know she'll soon be aching  
From doing the hoochi coochi coo

She's spinning like a top  
Shimmying with that steady rock  
Dipping up and down  
Then she go, round  
Round and round

Hey, mama, what you you gonna do  
Hey, mama, just look at little Sue  
They're swishing in the kitchen  
I know she'll get a licking  
For doing the hoochi coochi coo

Spinning like a top  
Shimmying with that steady rock  
Dipping up and down  
Then she go, round  
Round and round

Hey, mama, what you you gonna do  
Hey, mama, look at little Sue  
They're swishing in the kitchen  
I know she'll get a licking  
For doing the hoochi coochi coo
