

Adult Female

Hank Green

This song is for a girl
no wait I changed my mind
this song, is for a human adult female

Is it just me or is it creepy
how when we refer to a person romantically
We often use words relating to children

And it's not just girl
and it's not just baby
it's also boy and I think it's where we get shawty

So this song is for the adult female I love
And if there's anything she's been dreaming of
All she has to do is ask.
And if she wants me to
I'll do whatever she asks me to do
as long as it isn't really evil
or otherwise makes me uncomfortable.
cause that's what love is, and I have it, for her.

This song is about love
But it's not about what you're thinking of
especially if you are justin bieber

Love is hard and love is messy
And it can hurt worse than fire And sometimes it makes you want
to tear down a
building with your bare hands

But it also happens to be
the best thing that's ever happened to me
And I'm obviously not a big fan of hyperbole.

So this song is for the adult female I love
And if there's anything she's been dreaming of
And if I can acquire it with the amount of money I have
without making myself destitute
all she has to do is ask
And I'll be with her until the end of time
as long as time ends before one of us dies.
cause that's what love is, and I have it, for her.
