

# I Don't Hurt Anymore

Hank Locklin

I don't hurt anymore all my teardrops are dried  
No more walking the floor with that burning inside  
Just to think it could be time has opened the door  
And at last I am free I don't hurt anymore  
No use to deny I wanted to die the day you said we were through  
But now that I find you're out of my mind I can't believe that  
it's true  
I've forgotten somehow that I cared so before  
And it's wonderful now I don't hurt anymore
