

## My Blue Eyed Jane

Hank Locklin

The sweetest girl in all the world  
Is my blue eyed Jane  
We fell in love like turtle doves  
While the moon was shining down.

I asked her then I asked her  
When the wedding bells would ring  
She said oh dear it seems so near  
And this could happen here.

You're my little pal  
And I never knew a sweeter gal  
My little blue eyed Jane  
I love you so.

And when the sun goes down  
And the shadow's creeping over town  
Just meet me in the lane  
My blue eyed Jane.

Jannie dear, listen here  
I've come to say farewell  
The world is drear without you dear  
But now I cannot linger here.

I'm going no way this very day  
Oh, please come go with me  
I'll be sad and blue awanting you  
And longing all day through.

You're my blue eyed Jane  
You'll always be the same sweet thing  
I know you'll never change  
I love you so.

And when the sun goes down  
And the shadow's creeping over town  
Then I'll come back again  
My blue eyed Jane...
