

## With One Exception

Hank Locklin

I've seen lots of pretty faces in a million different places  
And it's hard for me to keep from doing wrong  
Cause you're the cutest and the sweetest you always dress the neatest  
With one exception and she's waiting at home  
If I'd let temptation fill me I know your kiss would thrill me  
And how easy it would be to lead you on  
You're such a lovely girl you're perfect for my world  
With one exception and she's waiting at home  
Sometimes I've almost cheated after all I'm just a man  
Can't you see my world is wrapped up in a golden wedding band  
I'd beg steal or borrow and you'd be mine tomorrow  
With one exception and she's waiting at home  
I'd beg steal or borrow
