Frosty The Snowman

Hank Snow

Frosty the snowman was a jolly happy soul With a corncob pipe and a button nose and two eyes made out of coal Frosty the snowman was a fairy tale they say He was made of snow but the children know how he come to life o ne day There must have been some magic in that old silk that they foun d For when they placed it on his head he began to dance around Frosty the snowman was alive as he could be And the children say he could laugh and play just the same as y ou and me Frosty the snowman knew the sun was hot that day So he said let's run and we'll have some fun now before I melt away Down to the village with a broomstick in his hand Running here and there all around the square saying catch me if you can He led them down the streets of town right up to the traffic co р And he only paused a moment when he heard him holler stop Frosty the snowman had to hurry on his way But he waved goodbye sayin' don't you cry I'll be back again so me day
