## I Don't Hurt Anymore

It don't hurt anymore All my teardrops are dried No more walkin' the floor With that burnin' inside Just to think it could be Time has opened the door And at last I am free I don't hurt anymore.

No use to deny I wanted to die The day you said we were through But now that I find you're out of my mind I can't believe that it's true I've forgotten somehow That I cared so before And it's wonderful now I don't hurt anymore.
