

# I Dreamed Of An Old Love Affair

Hank Snow

**C** **G7**  
Just like old times you were here last night  
**C**  
And gone was my worry and care  
**G7**  
When I awoke I knew then that I  
**C**  
Had dreamed of an old love affair

**F** **C**  
I was alone in the darkness my dear  
**D7** **G7**  
Many dreams ago you left me there  
**C** **G7**  
Sunlight told me you were gone and that I  
**C**  
Had dreamed of an old love affair

**G7**  
I've been so lonely since you have gone  
**C**  
I loved you with all of my heart  
**G7**  
Heaven was mine when you smiled last night  
**C**  
And said that we'd make a new start

**F** **C**  
Life seems so empty without you my dear  
**D7** **G7**  
If it's sun or rain I just don't care  
**C** **G7**  
Sunlight told me you were gone and that I  
**C**  
Had dreamed of an old love affair
