I'll Go Marching Into Glory

Hank Snow

On Hallujah Avenue that's where my home will be
I'll praise the Lord a million years for what he's done for me
He saved my soul and made me whole and set my spirit free
Now glory to Jesus name, I know he'll welcome me.

(I'll go marching into Glory singing praises to the land
Praises to the lamb, I'm saved oh yes I am
I'll go marching into Glory singing praises to the land
Singing praises to the land.)

With nothing but a silence I'll go marching in
My Saviour will be waiting for he'll save my soul from sin
I'll lay my crown at Jesus feet because he died for me
Then glory hallelujah I'll spend eternity.

I'll go marching into Glory singing praises to the land
Praises to the lamb, I'm saved oh yes I am
I'll go marching into Glory singing praises to the land
Singing praises to the land...
