

# I Love You Because

Hank Snow

(I love you most of all because you're you)

I love you because you understand, dear  
Every single thing I try to do  
You're always there to lend a helping hand, dear  
I love you most of all because you're you

No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you 'cause you're you

I love you because my heart is lighter  
Every time I'm walking by your side  
I love you because the future's brighter  
The door to happiness, you open wide

( No matter what may be the style or season  
I know your heart will always be true )  
I love you for a hundred thousand reasons  
But most of all I love you 'cause you're you
