I Never Will Marry

Hank Snow

One morning as I rambled Down by the sea shore The wind it did whistle And the waters did roar.

I heard a fair maiden Make a pitiful sound It sounded so lonesome In the waters around.

I never will marry
I'll be no man's wife
I expect to live single
All the days of my life.

My love's gone and left me The one I adore She's gone where I'll never see her anymore.

She plunged her fair body
In the waters so deep
She closed her pretty blue eyes
In the waters to sleep.

I never will marry
I'll be no man's wife
I expect to live single
All the days of my life.

The shells in the ocean Shall be my death bed The fish in deep water Swim over my head...
