

I Wonder Where You Are Tonight

Hank Snow

Tonight I'm sad, my heart is weary
I'm wond'ring if I'm wrong or right
although' you've gone and found another
I wonder where you are tonight.

That old rain is cold and slowly fallin'
Upon my window pane tonight
And tho' your love was even colder
I wonder where you are tonight.

Your heart was cold, you never loved me
Tho' you said you often cared
And now you've gone and found another
Someone who knows the love I shared.

That old rain is cold and slowly fallin'
Upon my window pane tonight
And tho' your love was even colder
I wonder where you are tonight.

Then came the dawn that day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight.

That old rain is cold and slowly fallin'
Upon my window pane tonight
And tho' your love was even colder
I wonder where you are tonight.
