

Lady's Man

Hank Snow

I'm a Lady's Man, Oh! yes-sir-ee
I like the gals and the gals like me
Can I make 'em swoon? Oh! yes, I can
Don't know what it is about me they love
But what it is, I got plenty of
Make way for me, I'm a lovin', Lady's Man.

I'm a Lady's Man and that's no crime
I like 'em 'round me all of the time
I've got a line of talk they understand
Now you may like a baseball game
But as for me, that's much too tame
I get my thrill just bein' a Lady's Man.

Been a Lady's Man since I was three
The women used to bounce me on their knee
They would always say, "When he grows up, watch out!"
"When the gals see his big blue eyes
They'll hang around like a bunch of flies."
Those women knew what they were talkin' about.

I'm a Lady's Man I get the breaks
I guess I've got everything it takes
When it come to lovin', they like my brand
Oh! the gals won't leave me alone
I have to disconnect my phone
That's how it is when you're a Lady's Man.

I'm a Lady's Man, Oh! yes-sir-ee
I love the gals and the gals love me
And when it comes to dates, I'm in demand
Oh! I like 'em short, I like 'em tall
As a mater of fact, I love 'em all
Make way for me, I'm a lovin', Lady's Man
