

Little Stranger (In A Manger)

Hank Snow

Little stranger in a manger little stranger sweet and mild
Mother Mary daddy Joseph watch o'er you their holy child
Searching for you to adore you come Three Kings led by a star
Little stranger in a manger they'll find heaven where you are
Choir of angels are singing this night of your birth
Praise and glory to the highest in a stable on earth
Humble shepherds filled will wonder kneel and pray by lantern
light

Little stranger in a manger bless our soul this holy night
Choir of angels are singing this night of your birth
Praise and glory to the highest little stranger here on earth
Humble shepherds filled will wonder...
(Little stranger here on earth)
