

# My Dreams Tell It Like It Was

Hank Snow

My dreams tell it like it was but my eyes see it like it is

Seems like only yesterday when I had everything  
But today I can't face the hurt tomorrow bring  
For reality and yesterday is all there is  
My dreams tell it like it was but my eyes see it like it is

All I ever wanted in my life was you  
Now there's nothing left worth looking forward to  
Except the past that's full of broken promises  
My dreams tell it like it was but my eyes see it like it is  
I pretend your arms are holding me so tenderly  
And each embrace I've locked away in memory  
For only in my dreams your love brings happiness  
My dreams tell it like it was but my eyes see it like it is  
All I ever wanted...
