

# Hellbilly

Hank Williams III

Well, hey there, mister man  
What's that you say?  
Well, you don't like our style  
And you say that we're out of date

With a little bit of Hellbilly country music  
A little bit of Hellbilly country music  
A little bit of Hellbilly coming your way

I'm a little Hellbilly  
I'm a little Hellbilly

Well is raised on a farm  
And I drive my truck  
And I milk them cows  
And I don't give a fuck

Drink my wine  
Nine to five  
Catch catfish  
And I like to fight

I'm a little Hellbilly  
I'm a little Hellbilly

Well, I'm doing my time  
And I drive my truck  
And I don't give a fuck  
When I'm stuck in the mud

Drink my beers  
Raise my steers  
I like country music  
And I love Webb Pierce

I'm a little Hellbilly  
I'm a little Hellbilly
