

Lookey Yonder Commin'

Hank Williams III

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good huntin' day

Ya better look out
I tell ya, hold on tight
'Cause the way he's a-runnin'
We'll be at it all night
Hear that ol' barkin'
On that good coon hound
Hell, he ain't gonna stop
'Till he gets what he's found

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good huntin' day

I tell ya right now
You better grab your gun
'Cause the way he's-a actin'
Gonna get more than one
He's still runnin' hard
about a half past five
I'm so outta breath
I think I might see the light

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good huntin' day

Now he's-a actin'
Like the night's on fire
Hell, he's runnin' so hard
He's bustin' through that bobbed wire
Listen to that howl
On that old black and tan
That's my number one dog
Treein' as hard as he can

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'

It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
He's the best in the state

Ain't nothin' like the stars
And that bright moonlight
When my dog is treein' hard
On a good huntin' night
Gotta love runnin'
On some Tennessee land
With my number one dog
And my rifle in my hand

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good huntin' day

You better grab some Mules
It's gonna be long
I can tell ya right now
The way he's singin' his song
The way he's a-runnin'
Well, he ain't runnin' slow
Hell, we might end up
In bum beep Idaho

Hey, looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good huntin' day

Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
It's a good treein' day
Looky yonder comin'
Runnin' down that mountain
My dog's a-sayin'
He's the best in the state
