Overdrive

Hank Williams III

Driftin' down to Texas
Lookin' for some light
And I gotta find some sunshine or I just might die
You know how it is when you're barely gettin' by
I'm doin' what I can just livin' in overdrive

I'm driftin' all around tryna have a rockin' rowdy time
And I know how it is when you like to roll in overdrive

I've had enough of Texas to last my whole life
Now I'm doin' what I can tryna find the one that's right
How long will them days keep me alone at night
I hope it ain't long cause I've got you in my sight

I'm driftin' all around tryna have a rockin' rowdy time
And i know how it is when you like to roll in overdrive
I'm driftin' all around tryna have a rockin' rowdy time
I know how it goes when you like to roll in overdrive

I've got a bad rep they say I'm mighty wild
I guess it's cause I drink whiskey when I'm feeling mild
Some say I'm different
I'm not like the rest
That just means I'm closer to livin' like the wild west

I'm driftin' all around tryna have a rockin' rowdy time
And I know how it is when you like to roll in overdrive

Honky tonks and highways
Keep me off the tie
There's somethin' 'bout the style that's the way I like to ride
Is it hillbilly redneck kinda thang
I'm not sure what it is but it keeps me sane

And I'm driftin' all around tryna have a rockin' rowdy time
And I know how it goes when you like to roll in overdrive
Yea driftin' all around tryna have a rockin' rowdy time
And I know how it goes when you like to roll in overdrive
