

Baby We're Really In Love

Hank Williams Jr.

If you're lovin' me like I'm lovin' you baby we're really in love

If you're happy with me like I'm happy with you old Cupid just gave us a shove

If you're thinkin' of me like I'm thinkin' of you then I know what you're thinkin' of

If you're lovin' me like I'm lovin' you baby we're really in love

I run around in circles and turn in fire alarms

I'm nutty as fruitcake when you're not in my arms

If you're meant for me like I'm meant for you baby we fit like a glove

If you're lovin' me like I'm lovin' you baby we're really in love

If you're lovin' me like I'm lovin' you baby we're really in love

If you're countin' on me like I'm countin' on you old Cupid just gave us a shove

If you're dreamin' of me like I'm dreamin' of you

Then I know what you're dreamin' of

If you're lovin' me like I'm lovin' you baby we're really in love

My folks think I've gone crazy and I don't feel too sure

And yet there's nothin' wrong with me that weddin' bells won't cure

If you go for me like I go for you baby we fit like a glove

If you're lovin' me like I'm lovin' you baby we're really in love
