

# Wolverton Mountain

Hank Williams Jr.

Now they say don't go on Wolverton Mountain  
If you're looking for a wife  
Cause Clifton Clovers has got a pretty young daughter  
And he's mighty handy with a gun and a knife

Her tender lips are sweeter than honey  
And Wolverton Mountain protects her there  
The bears and the birds tell Clifton Clovers  
If a stranger should wander there

All of my dreams are on Wolverton Mountain  
I want his daughter for my wife  
I'll take my chances and I'll climb his mountain  
Though Clifton Clovers he may take my life

Her tender lips are sweeter than honey  
And Wolverton Mountain protects her there  
The bears and the birds tell Clifton Clovers  
If a stranger should wander there

I'm goin' up on Wolverton Mountain  
'Cause it's too lonesome down here below  
It's just ain't right to hide his daughter  
From the one that loves her so

Her tender lips are sweeter than honey  
And Wolverton Mountain protects her there  
The bears and the birds tell Clifton Clovers  
If a stranger should wander there

I don't care about Clifton Clovers  
I'm gonna climb up on that mountain  
I wanna just the one I love  
I don't care about Clifton Clovers  
I'm gonna climb up on that mountain
