

Between The Devil And The Deep Blue Sea

Hanker

Hey you, look up to the stars once again
There in the sky tears have been fallin'
'Cause I've been crying, I've been reaching out for you
All of you

You know, I'm off to war in my head
There in my heart battles are raging
And I've been fighting; I've been killing out for you
All of you

Bridge:
There in the sky I see my life
I wonder if you care
I wonder why they call it pride
Oh! Damn I'm scared

Chorus I:
Hangin'on, holdin'on
You can kill me no more
Hangin'on, holdin'on
My heart means so much more
Hangin'on, holdin'on

Special:
Look at the world facing its fight
Look at the world it's time to cry
Hangin'on!
I hope my words will see the light
I hope my words will stop your cries
Hangin'on!

Chorus II:
Hangin'on
Hangin'on, holdin'on
'Cause I need so much more
Hangin'on, hangin'on
Hangin'on, holdin'on
'Cause I need so much more
Hangin'on, holdin'on
'Cause I need so much more! Hangin'on
