

# Crawlers

Hanker

I close my eyes  
Now tears and cries  
I'm asking, why?  
So many lies...  
Make no sound  
They're all around

Crawlers  
All around you make me  
Shiver  
When you fawn you know I...

Bridge I:  
...fear it again

Crawlers  
When you bow you give me  
Shivers  
When I'm down...

Bridge II:  
...I show you tears and fears

Chorus:  
I close my eyes  
Tears and cries, asking why  
You've told me lies  
Feeling high  
I don't know why!  
I don't know why!

Crawlers  
Creeping down I can't get  
Higher  
On and on...

Bridge III:  
...I show you fears and tears

Final Chorus:  
I close my eyes  
Tears and cries, asking why  
You've told me lies  
Feeling high  
I don't know why!  
I don't know why!
