

# The One Among Them

Hanker

Here in the dark  
Are you watching over me?  
'Cause I can't get far  
They're all around me! No!  
Around me

Lost in the dark  
Are you fighting over me?  
They've known from the start  
Some are waiting for me

Bridge I:  
Oh! There's no place to go!

Chorus:  
I know you're coming back  
I try to reach your hand  
It's all becoming black  
Are you heaven-sent?  
Heaven-sent

Yet I've played my part  
I've been good, can't you see?  
Being near yet so far  
Is there something for me?

Bridge II:  
Oh! There's someone I know!

Repeat Chorus

As light needs the dark  
Everywhere you ought to be  
It feels like a war  
All against me

Bridge III:  
Oh! There's no place I know

Final Chorus:  
I know you're coming back  
I try to reach your hand  
It's all becoming black  
Are you heaven-sent?  
Heaven-sent!  
Heaven-sent!
