

MISUNDERSTOOD

hannah bahng

Oh, it happened again, now I'm back in the den
Where the lions are men, mm
Had a couple of drinks, I don't know what to think
Will I swim or sink?
They told me what to believe
That they would show me the way to a better place
But I don't wanna see how the lions prey
On that pretty face

Feels like I'm losing control, control, control

Tell me how you like the pain
Tell me how you hate the game
On my knees, begging for release
Oh, I need you for me

Oh, it happened again
Yeah, I fell for the pen of a lying friend, mm
I'm alone and confused
With the bonds and fuse that I don't wanna lose
Don't have a moment to grieve
Your petty need to betray for a better place
But I don't want you to leave
Oh, I just want you to stay
Please don't give me space

Feels like I'm losing control, control, control

Tell me how you like the pain
Tell me how you hate the game
On my knees, begging for release
Oh, I need you for me

I need (I need), I need (I need)
I need you for me
I need (I need), I need (I need)
I need you for me
I need (I need), I need (I need)
I need you for me
I need, I need you for me
