My tears, drying numb, numb from your love  
Been yearning for the sun, sun dims on morning dove  
My lies shining far, far from your love  
It's chasing, too high to fall  
Falls leaping from above

I'm wide awake, I'm waiting for your tone  
Nothing to say, nothing you've never known  
No remedy, you're here and I'm alone  
I'm wide awake  
I'm wide awake  
Run away, away from lonely walls  
Trying to stay, trying with what you know  
Another day, another date alone  
I'm wide awake  
I'm wide awake

I'm wide awake, I'm falling for your pros  
Can't stay away, away from all the lows  
Led me astray, fuck all your pretty shows  
I'm wide awake  
I'm wide awake

I'm wide awake, awake for all your goals  
I have nothing to say, nothing at all  
They say the water streams is a fall  
That's funny 'cause all you have is alcohol

You're fading too high  
Fading faster to the light  
Worship close to me all night  
Drinking heaven all so bright  
You're fading too high  
Fading faster to the light  
Worship close to me all night  
Drinking heaven all so bright

I'm wide awake, I'm waiting for your tone  
Nothing to say, nothing you've never known  
No remedy, you're here and I'm alone  
I'm wide awake  
I'm wide awake  
Run away, away from lonely walls  
Trying to stay, trying with what you know  
Another day, another date alone  
I'm wide awake  
I'm wide awake
