

Shy

Hannah DiAmond

You said, "what's wrong?"
I said, "nothing."
Nothing's really
Sometimes, something

Took my time to figure out what's truly real
Told myself it's wrong to fake the way I feel

But I'm still shy
I, I, I'm so-so
Shy
I, I, I'm so-so
Shy

You said, "let's kiss"
I said, nothing
Maybe, I should have
Said something

Took my time to figure out what's truly real
Told myself it's wrong to fake the way I feel

But I'm still shy
I, I, I'm so-so
Shy
I, I, I'm so-so
Shy

Things that I did
Fading away
Just cause I didn't
Know how to say
"I like you,"
I like you

Took my time to figure out what's truly real
Told myself it's wrong to fake the way I feel

But I'm still shy
I, I, I'm so-so
Shy
I, I, I'm so-so
Shy
