

# Temporary Feeling

Hannah Ellis

I know your history's made you cynical  
But this ain't gonna be that typical  
Happy, then I'm sad  
Break up when I'm mad  
Then want you back, want you back  
Ain't gonna be perfect, can't win 'em all  
But to run away early would be criminal

When it comes to emotions, they come and they go  
And I felt it, I know it

But this ain't no temporary feeling  
Want you all week, straight through every weekend  
You can bet every dime you're gonna make on me  
I ain't goin' nowhere, baby  
This is ain't no temporary pleasure  
Hundred years old, still be wearin' your sweater  
Leavin' you, never, it only gets better  
Don't you know I'm gonna love you?  
I love you forever

Uh, oh, oh  
This ain't no temporary feeling, oh, oh

We might wake up on the wrong side of the bed  
Say things that we shouldn't have said  
But I won't love you any less  
No

This ain't no temporary feeling  
Want you all week, straight through every weekend  
You can bet every dime you're gonna make on me  
I ain't goin' nowhere, baby  
This is ain't no temporary pleasure  
Hundred years old, still be wearin' your sweater  
Leavin' you, never, it only gets better  
Don't you know I'm gonna love you?  
I love you forever

Uh oh, yeah  
This ain't no temporary feeling, oh, oh

When it comes to emotions, they come and they go, and  
I felt it, I know it

This ain't no temporary feeling  
Want you all week, straight through every weekend  
You can bet every dime you're gonna make on me  
I ain't goin' nowhere, baby  
This is ain't no temporary pleasure  
Hundred years old, still be wearin' your sweater  
Leavin' you, never, it only gets better  
Don't you know I'm gonna love you?  
I love you forever

Uh oh, yeah  
This ain't no temporary feeling, oh, oh

This ain't no temporary feeling, oh, oh
