

# The Middle

Hannah Ellis

Take a seat  
Right over there, sat on the stairs  
Stay or leave  
The cabinets are bare, and I'm unaware  
Of just how we got into this mess, got so aggressive  
I know we meant all good intentions

So pull me closer  
Why don't you pull me close?  
Why don't you come on over?  
I can't just let you go

Oh baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle  
Oh baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle

Oh, take a step  
Back for a minute, into the kitchen  
Floors are wet  
And taps are still running, dishes are broken  
How did we get into this mess? Got so aggressive  
I know we meant all good intentions

So pull me closer  
Why don't you pull me close?  
Why don't you come on over?  
I can't just let you go

Oh baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle

Looking at you, I can't lie  
Just pouring out admission  
Regardless of my objection, oh, oh  
And it's not about my pride  
I need you on my skin  
Just come over, pull me in, just

Oh, baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle, no no  
Baby, why don't you just meet me in the middle?  
Oh yeah, I'm losing my mind just a little  
So why don't you just meet me in the middle?  
Oh, in the middle  
Baby-y-y, why don't you just meet me in the middle, baby?  
I'm losing my mind just a little  
So why don't you just meet me in the middle, middle?  
In the middle, middle
