Blue

Hannah Grace

Everybody's moving
We've all been through it
And you just don't know what's going on in your head
I'm left waiting with no patience
I just can't seem to get you out of my mind

And I say, ooh
I can take it, ooh
I feel it changing
I'm beginning to feel alright

Something tells me I'll be up all night
Don't wanna waste a moment with you-ooh-ooh
Hold me, don't you let me go
I just don't wanna feel blue

Do you believe in what I'm feeling?
I just don't want to be on my own
Pour your heart out
I hear you right now
Every word is just for me and you

And I say, ooh (Ooh)
I can take it, ooh (Ooh)
I feel it changing
I'm beginning to feel alright

Something tells me I'll be up all night (Oh)
Don't wanna waste a moment with you-ooh-ooh (Oh)
Hold me, don't you let me go
I just don't wanna feel blue

Hold onto me, hold onto me
We'll be alright, we'll be alright
Hold onto me, hold onto me
We'll be alright, we'll be alright
We'll be alright, we'll be alright

Something tells me I'll be up all night
Don't wanna waste a moment with you-ooh-ooh
Hold me, don't you let me go
I just don't wanna feel blue
I just don't wanna feel blue-ooh (Oh)

'Cause something tells me I'll be up all night (Oh)
Don't wanna waste a moment with you-ooh-ooh (Oh)
Hold me, don't you let me go
I just don't wanna feel blue
Something tells me I'll be up all night (Oh)
Don't wanna waste a moment with you-ooh-ooh (Oh)
Hold me, don't you let me go
I just don't wanna feel blue
I just don't wanna feel blue
