

Break the Pattern

Hannah Grace

You held out, I held on
Now I know that we are better off
No more low down
Far from long gone
I'm starting to believe that we belong

Even when the light is fading
We've been getting closer, babe
Can't you see the sky is changing?

Oh, I'm just gonna break the pattern
Oh, I'm just gonna let it happen
Chasing it down, chasing it down
'Cause you and I are meant to be
I'm chasing it down, chasing it down
Gonna let you take a hold of me
Ooh-oooh (Ooh), ooh

Have we made it?
Should we save it?
Golden feelings never last for long
Feeding memories
Just like flowers
Remember that they need the rain and the sun

Even when the light is fading
We've been getting closer, babe
Can't you see the sky is changing?

Oh, I'm just gonna break the pattern
Oh, I'm just gonna let it happen
Chasing it down, chasing it down
'Cause you and I are meant to be
I'm chasing it down, chasing it down
Gonna let you take a hold of me
Ooh-oooh (Ooh), ooh-oooh (Ooh), ooh-oooh (Ooh), ooh-ah

What if I pray?
What would I say?
'Cause all that I need is all that I have with me
What if I break?
What would I say?
'Cause all that I need is all that I have with me

Oh, I'm just gonna break the pattern
Oh, I'm just gonna let it happen
Chasing it down, chasing it down
'Cause you and I are meant to be
I'm chasing it down, chasing it down
Gonna let you take a hold of me
Chasing it down, chasing it down
'Cause you and I are meant to be, oh
Chasing it down, chasing it down
I'm gonna let you take a hold of me
Ooh-oooh-ah (Ooh), ooh-oooh-ah (Ooh), ooh-oooh-ah-hmm (Ooh)
