Keep Your Love

Hannah Grace

You never tell me you're leaving
There's times you don't think that I know
But I'm growing tired of waiting
Why do you leave me here all alone?
Why do you leave me alone?

And every time you go I lose a piece of you
If I could hold your love, I'd hold your love
Like water in my hands you keep falling through
I can't hold your love, hold your love

I give you everything, you take all of me
But I don't know what you need
Help me understand why we're here again
Tell me what I gotta do to keep your love
Tell me am I good enough to keep your love?

And I'm losing sight of the future
Thought I'd move but I can't see anymore
And now we, I don't feel like I'm living
And I scream but you don't know what for
Why don't you listen no more?

And every time you go I lose a piece of you
If I could hold your love, I'd hold your love
Like water in my hands you keep falling through
I can't hold your love, hold your love

I give you everything, you take all of me
But I don't know what you need
Help me understand why we're here again
Tell me what I gotta do to keep your love
Tell me am I good enough to keep your love?

Ooh, tell me am I
Ooh, tell me am I

I give you everything, you take all of me
But I don't know what you need
Help me understand why we're here again
Tell me what I gotta do to keep your love
I give you everything, you take all of me
But I don't know what you need
Help me understand why we're here again
Tell me what I gotta do to keep your love
Tell me am I good enough to keep your love?
