

Last Request

Hannah Grace

Slow down, lie down
Remember it's just you and me
Don't sell out, bow out
Remember how this used to be
I just want you closer, is that alright?
Baby, let's get closer tonight

Grant my last request and just to let me hold you
Don't shrug your shoulders
Lay down beside me
And sure I can accept that we are going nowhere
But one last time let's go there
Lay down beside me

I've found, oh and I am bound
To wander down this one-way road
Not realize all about your lies
But I'm no wiser than the fool that I was before
Oh baby, let's get closer, is that alright?
I just want you closer tonight

Grant my last request and just to let me hold you
Don't shrug your shoulders
Lay down beside me
And sure I can accept that we are going nowhere
But one last time let's go there
Lay down beside me, oh-oo
Oh baby, baby, baby, baby, baby
Tell me how, tell me how, tell me how
Tell me how this can be wrong, oh

Oh grant my last request and just to let me hold you
Don't shrug your shoulders, don't
Lay down beside me
Oh sure I can accept that we are going nowhere
But one last time let's go there
Lay down beside me
