

## Taxi Driver

Hanoi Rocks

I'll be a taxi driver for you, honey  
Take you anywhere you want to  
I'll be a taxi driver for you, honey  
Take you anywhere you want to

Just call on me  
I'll take you anywhere you want to  
I'm a milkman for you, babe  
I'll milk you anytime you want to

I'll be a milkman for you, babe  
I'll milk you anytime you want to  
Just call on me, And you can milk me if you want to  
Call me on the telephone, I wasn't at home

Sometimes you reach me sometimes you don't  
Sometimes when I'm all alone  
Call me up, I'll take you anywhere you want to  
Call me on the telephone

Pity for you sister, I wasn't at home  
Sometimes you'll reach me, sometimes you don't  
Sometimes when I'm all alone  
Just call me on the telephone, I wasn't at home

Sometimes you reach me, sometimes you don't  
Sometimes when I'm all alone  
I'll be your taxi driver, I'll be your taxi driver, yeah I driv
