

Living With The Blues

Hans Theessink

Rocks is my pillow, cold ground my bed
Blue sky my blanket, moonlight my spread
I'm not ashamed, ain't that news, I've been living with the blues

You ever been down? - You know how I feel
Feel like an engine, ain't got no driving wheel
I'm not ashamed, ain't that news, I've been living with the blues

Rocks have been my pillow, cold ground been my bed
Blue skies have been my blanket, and the moonlight's been my spread

Have you ever been down? - You know how I feel
Feel like an engine, ain't got no driving wheel
I'm not ashamed, ain't that news, I've been living with the blues

'Cause rocks have been my pillow, cold ground has even been my bed
Blue skies have been my blanket, and the moonlight's been my spread

Don't believe I'm sinking, look what a hole I'm in
Don't believe I love you, look what a fool I've been
I'm not ashamed, ain't that news, I've been living with the blues

Mama had 'em, papa had 'em too
I've been living with the blues
I'm not ashamed, no friends ain't that news, I've been living with the blues
I've been living with the blues
I've been living with the blues
