

You Make Me Feel So Good

Hans Theessink

I like to watch you baby, when you sleep at night
When you wake up in the morning, with your sleepy eyes
I will be your coffee, you can be my cup
If you want me honey, you can sip me up
Oh babe, you make me feel so good
Let me be your sugar, honey, I'm in love with you
If you were the ocean, I would be a boat
Rock on your water, and keep afloat
If you were the earth, I would be a tree
Shoot some roots, and keep you company
Oh babe, you make me feel so good
Let me be your sugar, honey, I'm in love with you
You're the cutest little number in the neighborhood
Hug me, squeeze me, kiss me too
Cuddle up a little closer, baby hold me tight
I never felt so good, I never felt so right
In the daytime you're my sunshine, you're my star at night
Heat me up, and give me light
Oh babe, you make me feel so good
Let me be your sugar, honey, I'm in love with you
You can be my guitar, I will be your slide
We will make music, till the day we die
Every song in the world, in every key
Make them strings ring, in harmony
Oh babe, you make me feel so good
Let me be your sugar, honey, I'm in love with you
