

Breaktown

Hanson

Are you ready to lose?
Are you ready to win?
Well I've been losing for so long
I can't again
I'm the man on the moon
I'm the man on the ledge
Well I'm the words you never knew
In your head

You can't help you're so insecure
You're hurt right down to the core
You're only stuck in your pain today

Welcome to breaktown
For the first time
It's a great town
For your worst time
When you freak out
There's a road sign
Welcome to breaktown

Are you ready to quit?
Are you ready to learn?
Are you ready to find the spark inside
And let it burn?
I'm the walls that close in
I'm the words you won't say
I'm the voices you choose to keep inside
And lock away, every day

You keep it all to yourself
You're just like everyone else
So take a good look around

Now welcome to breaktown
For the first time
It's a great town
For your worst time
When you freak out
There's a road sign
Welcome to breaktown

Well, you're coming through
There's a room with a view
I'm just hangin' around, yeah

Welcome to breaktown
Welcome to breaktown, breaktown

Welcome to breaktown
For the first time
It's a great town
For your worst time
When you freak out
There's a road sign
Welcome to breaktown

Welcome to breaktown
Welcome to breaktown
