

Chasing Down My Dreams

Hanson

Now that I've started, ooh, there's nothing standing in my way
Leaving Omaha, with my grey guitar just to play
After I have departed, tell them I just wanna sing like Elvis
He changed the whole world, before twenty three

And I hear it in the morning, and I see it in my dreams
I'm not waiting any longer, I'm not waiting to begin

Ooh, I'll be chasing down my dreams
Ooh, I'll be chasing down my dreams

Give your friends my regards, cause I'm not gonna stick around
anymore
I am off to find my fortune and my fame
Oh, my only regret, is that you're not going my way
When I change the world you're the perfect girl for the man I'm
gonna be

Ooh, I'll be chasing down my dreams
Ooh, I'll be chasing down my dreams

I'm not waiting (I'm not waiting)
I'm not waiting (I'll be chasing)
I'm not waiting (I'm not waiting)
I'm not waiting anymore

Ooh, I'll be chasing down my dreams
Ooh, I'll be chasing down my dreams
Ooh, I'll be chasing down my dreams
Ooh, I'll be chasing down my dreams
