

Coming Back For More

Hanson

Well, she's the type of girl that loves you when you're wrong
She devastates me when she t-t-t-turns it on
The girl's on fire but leaving me out in the cold
It's getting tired but I can't let her go

You make me sick, you lead me on
Ooh, you use me up I keep on holding on
You do the trick like the days are long
Girl, you're killing me but I keep coming back for more
Coming back for more
Coming back for more

I know I've been here a thousand times before
But everytime I think that this is it for sure
Don't know why I try to make it work so hard
Cause she don't mind so we're right back at the start

You make me sick, you lead me on
Ooh, you use me up I keep on holding on
You do the trick like the days are long
Girl, you're killing me but I keep coming back for more
Coming back for more
Coming back for more
Well, I keep coming back

I don't know if we're gonna make it or not
But I keep giving it everything I've got

You make me sick, you lead me on
Ooh, you use me up I keep on holding on
You do the trick like the days are long
Girl, you're killing me
Girl, you're killing me
Girl, you're killing but I keep coming back for more
Coming back for more
I keep coming back for more
I keep coming back
Oh, I keep coming back for more
Coming back for more
Coming back
