Dream It Do It

Hanson

These are the days that turn into nights
And the heart and the hands
That won't give up the fight

This is the line drawn in the sand
That turns a boy into a man

This is the song for the world to sing
And the stories that show you
What you've never seen

This is the search that will never stop
And the bridge that will take you far away

These are the songs for the world to sing
And the stories that show you
What you've never seen

This is the line drawn in the sand
That turns a boy into a man

If you can dream it

You can do it

You've got to hold on tight, don't want to lose it

If you can dream it

You can do it
