

# Dressed In Brown Eyes

Hanson

(1, 2, 3) Hey!  
I like what you're wearin' tonight  
Hey!

Yes, I've fallen of course  
The minute your boots touched the floor  
C'mon!  
I'll do the best that I can  
Ooh, I'll blame the rest on the music man  
There's nothing I won't do  
Just to get with you tonight

You know I need what you're giving me  
And it's so good I can't deny  
You know I can't say no  
When you're dressed in brown eyes  
Looking so good in brown eyes  
Hey!

Right down to my sole  
There's nothing that isn't yours  
C'mon!  
If you don't have a plan (don't have a plan)  
C'mon!  
Maybe I could be your man  
Oh, nothing I won't do  
Just to stay with you tonight (that's right)  
C'mon!

You know I need what you're giving me (what you're giving me)  
And it's so good I can't deny (can't deny)  
You know I can't say no  
When you're dressed in brown eyes (dressed in brown eyes)  
When you're dressed in brown eyes  
Looking so good, looking so good in brown eyes  
Looking so good in brown eyes  
Looking so good in brown eyes  
Looking so, looking so good

And when the feeling is right  
Lean in and let me hold you tight  
You know when the beat gets slow  
I'm never gonna wanna let you go  
Yeah  
I'm never gonna wanna let you go  
Yeah  
Never gonna wanna let you go  
(Oh yeah)

You know I need what you're giving me (what you're giving me)  
You know something's going right (can't deny)  
You know I can't say no  
When you're dressed in brown eyes (dressed in brown eyes)  
When you're dressed in brown eyes (dressed in brown eyes)  
When you're looking so good in brown eyes  
When you're looking so good in brown eyes  
Dressed in brown eyes
