Good Days

Hanson

La da da da
La da da da
La da da da da da da da

These are the good days we've been longing for
Won't you let your heartstrings play
Let the summer wash you like a wave, oh
These are the good times that dreams are made of
Don't let a moment pass you by
Don't let your reasons be what keeps you from your smile

Smile and we can belong together
Smile (smile)
Maybe this moment can last forever my child

La da da da
La da da da
La da da da da da da da

Like an ocean breeze blows for no one
So many answers don't deserve a question
Somehow the springtime rain
Always comes before a change, oh

These are the good days we've been longing for
Won't you let your heartstrings play
Let the summer wash you like a wave, oh
These are the good times that dreams are made of
Don't let a moment pass you by
Don't let your reasons be what keeps me from your smile

Smile and we can belong together
Smile
Maybe this moment can last forever my child

La da da da
La da da da
La da da da da da da da

La da da da
La da da da
La da da da da da da da

Smile (Smile)
We can belong together
Smile (Smile)
Maybe this moment can last forever my child
