

I Can't Wait

Hanson

I can't wait
Well, I can't wait
Said, I can't wait
I won't miss you when you're gone
When you're gone

I've done my time, I've served it well
I didn't want to speak my mind
I held my tongue until the last shoe fell
I'm gonna put it on the line, oh
I'm not the only one

Saying, I can't wait
To be the one to knock you back off your feet again
So pack your bags and be on your way
I won't miss you when you're gone
I won't miss you

You made the rules of your dirty game
And you break them way too easily
You're always cruelest when you aim
The insults in your quiver at me
I'm not the only one, come on now

Saying, I can't wait
To be the one to knock you back off your feet again
So pack your bags and be on your way
I won't miss you when you're gone
Oh, I won't miss you when you're gone
When you're gone

I'm saying, I can't wait
To be the one to knock you back off your feet again
So pack your bags and be on your way
I won't miss you when you're gone, yeah
I can't wait
To be the one to knock you back off your feet again
To be the one to kick you down in the street again
So pack your bags and be on your way
I won't miss you when you're gone, yeah
Well, I won't miss you when you're gone, yeah
I won't miss you when you're gone
Said, I can't wait
Well, I can't wait
Well, I can't wait
Well, I can't wait
Oh, I won't miss you when you're gone
