Everybody put your hands up
Let me see you count it down

10 9 8 7 6 5 4 3 2 1
Let's go!

Don't you know we're going to launch this even if it takes all night
We won't give up the fight until we're clinking and drinking and
Bouncing signal off satellite

Don't you know we're gonna launch this even if it takes all night
You can sleep when you die
So keep just keep working and working and working right up until the counter
reaches
