Hanson

Lulla Belle won the big show
Got her picture framed by the window
In the hall where lovely girls go
Lulla Belle goes
Lulla Belle knows

Lulla Belle knows, no no no knows
Oh
Lulla Belle knows, oh oh oh...

Beauty queen that you are
Put you down for the missing star
Take your picture for all the world to see

Lulla Belle's leaving the ball
No more reason to stay
People to see but everyone here knows your name
From the light on your face and the frame
That hangs in the hall where lovely girls go
Lulla Belle goes
Lulla Belle knows

Lulla Belle knows, no no no knows
Oh
Lulla Belle knows, oh oh oh...
